Attached for information and guidance is a list showing those agencies, service with which is considered 'public service' or 'other public service' within the meaning of the Pensions Act, Chapter 27:02. Public servants holding pensionable posts may be seconded or transferred to those agencies without loss in pension rights.

2. There is no provision for similar transfers to those agencies which fall outside 'other public service' as listed at Appendix B, although on occasion arrangements may be made for the secondment of officers to such agencies, provided that the officer or the agency is willing to make a pension contribution equivalent to 25% of the officer's public service salary to the Accountant General.
3. The position as regards open vote employees released to serve in the Guyana Defence Force is at present being clarified.
