# "YEAR OF STANDING ORDER"

# PUBLIC SERVICE MINISTRYCIRCULAR NO.14/1986REFERENCE NO. PS:12/1/34

FROM: Permanent Secretary, Public Service Ministry

TO: All Permanent Secretaries, Heads of Departments and Regional Executive Officers **SUBJECT:** 

Introduction of Five-Day Work Week –Amendment to Civil Service Rule R1.

DATE: 1986-05-28

This is a follow-up to my Circular No. 13/1986 dated 14<sup>th</sup> May,1986. Consequent upon agreement between Government and the Guyana Trades Union Congress on a proposal to amend the official working hours in the Public Service with a view to introducing a Five-Day Work Week Committee, has approved the implementation of the proposal with effect from the 2<sup>nd</sup> June, 1986, inclusive in all agencies and work areas which have deemed to be "non-controversial". These agencies and work areas are shown in Appendix 1 hereto, while the revised working hours for office workers are shown below.

Monday to Thurse	day -	8.00 a.m12.00 noon 1.00 p.m 4.30 noon
Friday	-	8.00 a.m12.00 noon 1.00p.m 3.30 p.m.

The new working hours must be observed by all agencies deemed to be non-controversial. No variations should be effected unless prior approval is received from the Public Service Ministry.

- 2. All workers (including manual and related workers) in agencies or work areas which have been deemed to be "controversial" shall however continue to work a five and half day week as at present. The five Day Work Week Committee will continue to have dialogue with the Management of such agencies and the Guyana Trades Union Congress and to examine on an on-going basis proposals aimed at facilitating the introduction of a five –day work week of these agencies and work areas.
- 3. It has been agreed that pending the final determination of specific arrangements for the maximum utilizations of the service of monthly paid workers such as Cleaners ,Office Assistants ,Chauffeurs and

Vehicle Drivers they should continue to observe working hours as at present on a five day work week without suffering any loss in pay. Also, workers such as Rangers and Sluice and Koker Attendants who because of the nature of their work, are paid for everyday of the week, will continue to work as at present.

- 4. The attention of all workers is drawn to the current practice of counting absences on vacation and/or sick leave which spans any period of non-working days. Wherever an absence spans an entire week-end and the worker does not resume duty at the beginning of the work week, the Saturday and Sunday involved should be counted as leave, and in the case of sick leave, the production of a medical certificate should be requested in accordance with existing Civil Service Rules.
- 5. The introduction of the five-day workweek in "non-controversial" agencies of work areas for a trial period of nine months has been made on the clear understanding that there will be no reduction in the total hours now worked by the various categories of workers and that there should be no additional employment costs. Permanent Secretaries , Heads of Departments ,Regional Executive Officers and all other Managers and Supervisors of the relevant agencies are therefore requested to ensure that there is no lowering in production or slackening of the work force. Mechanisms are being devised for the effectiveness or otherwise of the change to be evaluated .At the end of the trial period of nine months a decision will be made as to:
  - Whether the five-day work week should be permanent
  - Whether the old system should be re-introduced
  - Or what adjustments should be made to the five –day work week plan as originally devised
- 6. The revised working hours outlined at paragraph 1 should be regarded as an amendment to the official office hours stated in Civil Service Rule R1 but being applicable only to workers in "non-controversial" agencies. The hours as set out in Civil Service R1will continue to apply to workers in agencies deemed "controversial" until the action outlined at paragraph 2 has been completed in each case.
- 7. Please bring the contents of this circular to the attention of all workers in your Ministries/Departments/Regions. Any matter requiring clarification and /or further information should be directed to the Public service Ministry for attention.
- 8. I have attached for your information at Appendix II, the working hours agreed upon by the C.O.F.A institutions.
- 9. These instructions for the implementation of a Five-Day Work Week are for those agencies that have so far cleared with the Public Service Ministry. Listed at Appendix III are those agencies in the Public service/sector from which there has been no response as at May 27<sup>th</sup> 1986.

J.E Sinclair Permanent Secretary
