4. The special fixed traveling allowance approved for payment to Permanent Secretaries and Heads of Departments not under Ministerial control is intended to cater for all traveling needs in the greater Georgetown area together with an amount of approximately 100 miles per month outside of this area .It is however recognized that the nature of the duties of some Permanent Secretaries/Heads of departments may require traveling in excess of this ceiling.

Whenever this occurs Ministerial /Departments transport should be used .in cases where such an arrangement may not be possible or practicable a request should be submitted to the Permanent Secretary, Public Service ministry, for the particular officer to receive a appropriate rate of traveling allowance instead.

5. The attention of Permanent Secretaries/Heads Departments/Regional Executive Officers is again invited to the fact that the Scale 'A' Upper and the Scale 'A' Lower commuted traveling have been allocated to posts (please see Appendix I to the Public Service Ministry 's Circular N0. 17/1975 dated 2nd June, 1975) on the basis of traveling needs, and it is their duty to ensure that the rate of this Ministry and not simply in accordance with the engine capacity (cc) of an officer's car. Permanent Secretaries/Heads of Departments /Regional Executive Officer's also have very important responsibility to ensure that all officers who are in receipt of traveling allowances are actually in possession of the relevant vehicles and do bring them I the performance of their duties.

Any deviation from these requirements, which are not catered for in the Public Service Rules, should be dealt with promptly by way of cessation of payment of the relevant allowance.

6. Appendix JI to the Public Service Rule J2 and Appendix L1 to the Public Service Rule L3 are hereby amended accordingly.
7. Please bring the contents of this circular to the attention of all relevant staff in your Ministries/Departments/Regions, and arrange for payment to be made as early as possible. In doing so however, care should be exercised to avoid any instance of overpayments.

J.E Sinclair
Permanent Secretary
Public Service Ministry.
