**SUBJECT:**

**Marking of Government Vehicles and Equipment**

DATE: 20<sup>th</sup> June, 2006

---

In recent times a number of vehicles and equipment have been purchased by Ministries, Departments, Regions, Projects and subvention agencies from funds provided through annual budgets, grants, loans or from any other source of public funding.

2. Because of obvious security reasons it is extremely important that you ensure that your Ministry's, Department's, Region's or any other Government project, or agency's mark is conspicuously placed on each of these vehicles/equipment, including any purchased subsequently.

3. You should ensure that this exercise is undertaken as a matter of urgency to be completed on or before July 10, 2006.

4. Kindly ensure that you or a sufficiently senior officer coordinate this exercise to completion.

5. Please note that this circular does not relate to vehicles which have previously been exempted.
